

# RESERVE BANK OF FIJI

## EMPLOYMENT OPPORTUNITIES

The **Reserve Bank of Fiji** is an Equal Employment Opportunity (EEO) Employer and promotes Quality Management through Teamwork (QMT) and related productivity concepts of continuous improvement, team building and customer focus. Our role is to regulate the issue of currency, and the supply, availability and international exchange of money; promote monetary stability; promote a sound financial structure; foster credit and exchange conditions conducive to the orderly and balanced economic development of the country; regulate the insurance industry; and regulate the capital markets and securities industry.

We are seeking the services of an experienced individual who will be able to work as part of a dynamic Team and invite applications for the following position:

---

### ECONOMIST

**SALARY RANGE: \$31,266 - \$42,302**

**Ref. No: EA17/09**

---

This position reports directly to a Senior Economist in the Economics Group. The successful candidate will be responsible for conducting research to support the achievement and ongoing review of the Bank's economics policies. Other essential requirements of the role include assisting with drafting economic reviews, quarterly reviews, various RBF surveys, economic presentations, policy statements and papers. The successful candidate will also be required to ensure that databases, graphs and other tools used to perform key activities are accurate, well-structured and appropriately documented.

Candidates must possess a Bachelor's Degree in Economics and at least two years experience in a similar role. Other requirements include sound research, analytical, report writing and presentation skills and proficiency in the use of word processing, spreadsheets, PowerPoint and other related computer packages. Candidates must demonstrate key competencies required for the role including attention to detail, a team player, ability to take initiatives and excellent communication skills.

---
